HEREFORDSHIRE, LUDLOW AND NORTH SHROPSHIRE COLLEGE

19+ Discretionary Student Support Fund 2023/24

1 College Policy

The ESFA (Education and Skills Funding Agency) allocates the College an annual sum of money to provide financial assistance to individuals with specific financial hardship preventing them from taking part or continuing in learning.

The Adult (19+) LSF can be used to financially support students with:

- ✓ Childcare costs (you must be over 20) (**Note: Child-carer MUST be Ofsted registered**)
- ✓ Accommodation (where a student has to stay away from home to study – specific conditions apply)
- ✓ Transport (students must live at least 3 miles from campus)
- ✓ Tuition, registration and exam fees
- ✓ Course related costs including course trips, books, equipment and materials
- ✓ Disability related costs.

Applicants should note that all requests for LSF assistance are assessed on the basis of 'relative financial need' and that **not all applications will be successful**. Applicants may not receive all monies requested. Maximum grant amounts are set for each category of support. It is a student's responsibility to ensure that they have adequate financial arrangements in place before enrolling on a course.

No application will be considered if household income exceeds £26,000 per annum. Outcomes for income levels below this amount will vary according to individual / household circumstances.

2 Eligibility

You may be able to claim support from the Student Support Fund if the following applies:

- ✓ Individuals enrolled on a ESFA funded full or part-time Further Education course who are resident in areas of England outside of devolved authority areas
- ✓ Students must have been ordinarily resident in the UK for 3 years prior to the start of their course
- ✓ Non-UK nationals in the UK must have settled or pre-settled status under the EU Settlement Scheme and have lived continuously in the EEA, Gibraltar or UK for at least 3 years
- ✓ Students attending specialist rural crafts courses or certain Outdoor Adventure courses who have to live away from home or a course specifically requires regular, repeated study out of normal college hours.
- ✓ Students in receipt of an Education, Health and Care Plan (EHCP)
- ✓ Continuing students who are resident in devolved authority areas who have not completed their learning by 31 July 2022, but started their learning before the devolution date
- ✓ Students resident in England, including those resident in a devolved authority area undertaking a 19-24 traineeship programme

You cannot claim for support from the Student Support Fund if you are:

- X Under 19 on 31st August 2023
- X An overseas or EEA student who is eligible for tuition fee support
- X On an Adult and Community learning course
- X On an apprenticeship programme
- X On **ANY** courses not funded by the ESFA.

3 Application procedure and supporting documentation

The Discretionary 19+ Student Support Fund is allocated to the college by the ESFA in June for the forthcoming academic year. All applications are considered on an annual basis – **continuing students must re-apply requesting support for second or subsequent years of their course.**

This Student Support Fund Policy accompanies the application form. Guidance in completing the form is available through the College Student Services and Student Finance.

Funds are strictly limited and therefore awards are subject to availability of sufficient funds. All application forms will be dealt with on a first-come, first-served basis on an annual basis until funds are exhausted. **Current students must re-apply to request support for second or subsequent years of their course.** Should insufficient funds be available, applications will be rejected, even if they would otherwise have been accepted.

Where the supporting documentation has not been submitted, the application form will be returned unprocessed and will only be considered once the form is re-submitted with the full, relevant supporting documentation.

All application forms requesting support from the Student Support Fund are means tested, and proof of income is required before an application form can be processed. **No application will be accepted if the applicant does not disclose any income source. Bank statements cannot be accepted as evidence.**

Proof of all household income information given in the application will be required in order for an application to be processed. You must include **all** pages of any tax credit award notices or benefits notifications. If you are applying for assistance with childcare costs, evidence of cost from your childcare provider, and proof of the Ofsted registration is required.

4 Submitting an Application

To reduce the amount of paperwork the College is handling, our preferred method of receiving your application, is via email. Please complete the application overleaf and email it with your supporting evidence to bursariesludlow@hlnc.ac.uk. Every application form will be dealt with chronologically, at the following campuses of the Herefordshire, Ludlow and North Shropshire College including County Training.

If you cannot email your application, please contact us at the email address above to discuss your options or telephone your campus.

The College aims to process applications within 6 weeks of receipt of the completed form with the correct supporting evidence. Decisions may be delayed if all necessary documentation has not been provided with the application.

5 Payment Method

For the majority of bursary recipients, payments will be made 'in-kind' to cover costs owed to the College (eg, to cover additional costs such as materials, equipment, etc) that the College purchases on the student's behalf. Third parties may also receive direct payment (eg, landlords, childcare providers) wherever possible, and not through the student. Any payments due to applicants will be paid directly into the student's bank account. Any payments to cover ongoing expenses will be paid in termly instalments subject to continued satisfactory attendance (at least 90%), behaviour and progress.

Where students receive financial support and withdraw from their course, or their attendance falls below minimum requirements, steps will be taken to recover monies paid.

5 Appeals Procedure

Students who disagree with the decision regarding their application can appeal against it. The appeal must be made within 7 working days of being notified of the decision. Applicants should state clearly their reasons for disagreeing with the decision.

The appeal will be handled as follows:-

- The application will be reviewed by the Head of Finance and Head of Student Services, who will consider whether the initial assessment was correct. The applicant will be notified of the outcome within 10 working days of receipt of appeal.
- If the applicant disagrees with the decision made by the Head of Finance / Head of Student Services, the applicant will be referred to the College Finance Director, who will review the decision further. The applicant will be notified of the outcome of this review within 10 working days.
- Should the dispute remain unresolved, the Principal will make the final decision as soon as is practicable.

6 Publicity

The Student Support Fund is promoted through the prospectus. Leaflets giving advice on alternative forms of funding are available from Student Services.

All information provided by students will be treated in confidence and will be handled in accordance with the Data Protection Act 1998.
