HEREFORDSHIRE, LUDLOW AND NORTH SHROPSHIRE COLLEGE

16-18 Bursary Fund 2023/24 Policy

1 College Policy

The 16-18 Bursary Fund provides financial support to help students overcome specific financial barriers to participation they face so they can remain in education. The bursary is intended to help students with the essential costs of participating in their study programme, ie, cost of essential books, equipment, travelling to and from College, field trips and other course-related costs.

There are 2 types of 16–18 bursaries:

- Bursaries for defined vulnerable groups
- Discretionary bursaries which institutions award

The 16-18 Bursary Fund can be used to financially support students with:

- Accommodation (where a student has to stay away from home) for specialist rural courses only
- Transport (normally through the LEA travel scheme), unless supported by the EMA in Wales
- Essential course related equipment and materials (including uniform)
- Essential course related field trips
- Disability related costs

Under the arrangements for 2023/24, certain students are entitled to bursary for vulnerable groups; all other students may receive awards on a discretionary basis, for which an assessment of household income will be performed prior to any award being considered. Not all applications will be successful, and applicants may not receive all monies requested. Maximum grant amounts are set for each category of support. It is a student's responsibility to ensure that they have adequate financial arrangements in place prior to enrolling on a course.

No application will be considered if annual household income is greater than £30,000. Outcomes for income levels below this amount will vary according to individual / household circumstances.

2 Eligibility for discretionary awards

The following students are eligible to request discretionary support from the 16-18 Bursary Fund:

- Enrolled on a ESFA (Education and Skills Funding Agency) funded full or part-time Further Education course.
- 'Settled' (having either indefinite leave to enter or remain or having right of abode in the UK) or have been ordinarily resident in the UK and Islands for the 3 years preceding 31st August 2023.
- Aged between 16 and 19 years on 31st August 2023.
- Attending specialist rural crafts courses who have to live away from home.
- Have an Education, Health and Care Plan (EHCP)

Students may not claim support from the 16-18 Bursary Fund if they are:

- Under 16, or over 19 on 31st August 2023 unless they are continuing on a course started aged 16 -18 (known as being a '19+ continuer'). Although the vulnerable bursary would not apply.
- On an Adult and Community learning course
- On an apprenticeship programme or waged training, as they are employed rather than in education.
- A student on a distance learning programme as they would not be expected to incur the cost the bursary covers.
- On ANY courses not funded by the ESFA.

Discretionary awards can be made to cover:

- Essential course materials for the student's own use
- Essential field trips
- Travel costs (where required)
- Essential course equipment

Additionally, students may apply for a residential bursary of up to £5,130 annually if they need to live away from home or the course specifically requires regular, repeated study out of normal college hours – this will be particularly relevant to students on Rural Crafts and certain Outdoor Adventure courses.

It is not envisaged that discretionary funds will be available for making regular payments for ad-hoc living expenses.

Students with entitlement to bursary support whilst on a Study Programme with County Training will receive regular reimbursement of travel expenses to classes based on actual attendance, and on production of receipts for travel costs incurred.

3 Entitlement to bursary for vulnerable groups

Students wishing to claim this award must first satisfy the eligibility criteria for discretionary awards (above) and be resident in the UK. Students who meet the criteria for bursaries for vulnerable groups are not automatically entitled to a bursary if they do not have the financial needs and/or their financial needs are covered from other sources.

Further to this, they must also be in one of the following groups:

- Aged 16 or 17 and in care (either residential or foster or special guardianship) OR care leavers aged 18 and over and previously a looked after child for 13 weeks after the age of 14.
- Aged 16, 17 or 18 and PERSONALLY in receipt of income support award notice required OR
 Universal Credit award notice required AND further evidence (such as tenancy agreement in
 student's name, child benefit receipt or own child's birth certificate)
- Aged 16, 17 or 18 and *PERSONALLY* in receipt of both Disability Living Allowance (DLA) or Personal Independence Payments (PIP) **AND** Employment and Support Allowance
- Aged 16, 17 or 18 and PERSONALLY in receipt of both Personal Independence Payment AND Employment and Support Allowance

The application form will contain a section to determine entitlement. Qualifying students may be entitled to funding of up to £1,200 towards College costs (see below). In the first instance, unless a third party (eg Social Services) agrees to make such payments on the student's behalf, the award will pay for:

- Essential course materials for the student's own use
- Essential field trips
- Travel costs (where required)
- Essential course equipment

Students in receipt of this bursary may also apply for a residential bursary annually (see above) **but only if studying a specialist rural course**. Any such payment will be over and above the bursary for vulnerable groups.

4 Application procedure and supporting documentation

The 16-18 Bursary Fund is allocated to the college by the ESFA in June for the forthcoming academic year. All applications are considered on an annual basis – **continuing students must re-apply** to request support for second or subsequent years of their course.

Application forms for all prospective and enrolled students will be available from main reception. This 16-18 Bursary Fund Policy will accompany the application form. Guidance in completing the form will be available through the College Student/Student Services and Finance departments.

Applications received from students who qualify for the bursary for vulnerable groups will be given priority, in line with government direction. Other applicants will be considered on a "first-come, first served" basis, until funds are exhausted.

Discretionary funds are strictly limited; therefore awards are subject to availability of funds. Should insufficient funds be available, applications which would otherwise be successful will be rejected.

All application forms requesting discretionary support from the 16-18 Bursary Fund are means tested, and proof of income is required before an application form can be processed. **No application will be accepted if the applicant does not disclose any income source.** Bank statements cannot be accepted as evidence.

Where any required supporting documentation has not been submitted, the application form will be returned unprocessed and will only be considered once the form is re-submitted with the full supporting documentation.

5 Submitting an application

To reduce the amount of paperwork the College is handling, our preferred method of receiving your application, is via email. Please complete the application overleaf and email it with your supporting evidence to bursariesNSCT@hlnsc.ac.uk. Every application form will be dealt with chronologically, at the following campuses of the Herefordshire, Ludlow and North Shropshire College including County Training.

If you cannot email your application, please contact us at the email address above to discuss your options or telephone your campus.

The College aims to process applications within 6 weeks of receipt of the completed form with the correct supporting evidence. Decisions may be delayed if all necessary documentation has not been provided with the application.

6 Payment method

For the majority of bursary recipients, payments will be made 'in-kind' to cover costs owed to the College (eg, to cover additional costs such as materials, equipment, etc) that the College purchases on the student's behalf. Third parties may also receive direct payment (eg, landlords, LEA for bus passes) wherever possible, and **not** through the student. Any payments due to applicants will be paid directly into the student's bank account and only in exceptional circumstances will be considered for payment to parent/guardian. Any payments to cover ongoing expenses will be paid in termly instalments subject to continued satisfactory attendance (at least 90%), behaviour and progress.

Where students receive financial support and withdraw from their course, or their attendance/progress falls below minimum requirements, steps may be taken to recover monies paid.

7 Appeals procedure

Students who disagree with the decision regarding their application can appeal against it. The appeal must be made in writing within 7 working days of being notified of the decision. Applicants should clearly state their reasons for disagreeing with the decision.

The appeal will be handled as follows:

- The application will be reviewed by the Head of Finance and Head of Student Services, who will consider whether the initial assessment was correct. The applicant will be notified of the outcome within 10 working days of receipt of appeal.
- If the applicant disagrees with the decision made by the Head of Finance/Head of Student Services, the applicant will be referred to the College Finance Director, who will review the decision further. The applicant will be notified of the outcome of this review within 10 working days.
- Should the dispute remain unresolved, the Principal will make the final decision as soon as is practicable.

8 Publicity

Information leaflets on the 16-18 Bursary Fund, and other advice on alternative forms of funding are available from Student Services.

All information provided by students will be treated in confidence and will be handled in accordance with current Data Protection law.
