Accessing local education and training can often be a challenge for some of our young people due to the high cost of travel.

North Shropshire College offers subsidised travel on all routes. Travel may also be available free of charge for students who are eligible for a travel bursary. Alternatively, to help spread the cost, payment plans and termly passes are available.

To apply for a college bus pass, please complete the application form on the back and return it to Student Services. Application packs are available online or from Student Services.

A zoning system for passes is as follows:
